

## TABLE OF CONTENTS

|  |     |
|--|-----|
| Officers, 1979.....  | i   |
| Foreword .....   | iii |
| Panel — The Hoof: An In-Depth Study.....                         | 11  |
| Moderator — J. R. Coffman  |     |
| Panelists — Chris M. Colles                                      |     |
| David M. Hood  |     |
| William Moyer  |     |
| Edward A. Scott  |     |
| Current Concepts of the Physiology of Laminitis                  |     |
| David M. Hood.....   | 13  |
| Diseases of the Equine Heel                                      |     |
| William Moyer .....  | 21  |
| Panel — Stallion Management, Brood Farm Practices and Artificial |     |
| Insemination .....   | 31  |
| Moderator — J. L. Voss   |     |
| Panelists — Chris Cahill   |     |
| B. W. Pickett  |     |
| E. L. Squires  |     |
| J. L. Voss   |     |
| Factors Affecting Reproductive Performance of the Stallion       |     |
| J. L. Voss, E. L. Squires, B. W. Pickett and R. P. Amann .....   | 33  |
| Management of the Thoroughbred Stallion                          |     |
| Chris Cahill .....   | 51  |
| Factors Affecting Sexual Behavior of the Equine Male             |     |
| B. W. Pickett, E. L. Squires, J. L. Voss and                     |     |
| S. J. R. Wallach .....   | 61  |
| Emergency Ventilation in the Horse                               |     |
| T. W. Riebold, A. T. Evans and N. E. Robinson .....              | 113 |

|   |     |
|---|-----|
| Injectable Progesterone Therapy in the Mare<br>Dan L. Hawkins .....   | 123 |
| Horse Identification in the United States: A Situation Report<br>Ralph C. Knowles .....   | 131 |
| Perspective on Today's Veterinary Profession<br>Arthur Freeman .....  | 135 |
| Panel — Practical Orthopedic Surgery: Current Concepts .....  | 139 |
| Moderator — L. R. Bramlage  |     |
| Panelists — Robert H. Baker   |     |
| L. R. Bramlage  |     |
| R. W. Copelan   |     |
| R. K. Schneider   |     |
| William O. Reed   |     |
| A. S. Turner  |     |
| Principles of Aseptic Technique<br>R. W. Copelan .....  | 141 |
| Soft Tissue Management<br>L. R. Bramlage .....  | 143 |
| Incidence and Location of Fractures within the Carpus<br>R. K. Schneider .....  | 145 |
| Current Concepts of Practical Equine Orthopedic Surgery<br>A. S. Turner .....   | 147 |
| Location and Incidence of Slab Fractures of the Carpus<br>William O. Reed .....   | 153 |
| Principles of Treatment of Slab Fractures<br>William O. Reed .....  | 155 |
| Incidence and Location of Fractures of the Proximal Sesamoids and<br>Proximal Extremity of the First Phalanx<br>R. K. Schneider ..... | 157 |

|   |     |
|---|-----|
| Incidence, Location and Principles of Treatment of Stress Fractures<br>of the Third Metacarpal Bone | 159 |
| R. W. Copelan   |     |
| Comments on the Incidence and Repair of Cannon Bone Fractures<br>Extending into the Fetlock Joint   | 163 |
| Robert H. Baker   |     |
| Case Presentations and Survey Results   | 165 |
| L. R. Bramlage  |     |
| Panel — Foal Diarrhea Syndrome  | 195 |
| Moderator — Douglas S. Traver   |     |
| Panelists — Ronald J. Martens   |     |
| A. M. Merritt   |     |
| Lance E. Perryman   |     |
| W. L. Scrutchfield  |     |
| Douglas S. Traver   |     |
| Pathophysiology of Diarrhea in the Foal   | 197 |
| A. M. Merritt   |     |
| Non-Infectious Diarrhea in the Foal   | 205 |
| Ronald J. Martens   |     |
| Rotavirus Infections in Foals   | 217 |
| W. L. Scrutchfield, A. K. Eugster, H. Abel, Jr. and<br>J. E. Ward, Jr.                              |     |
| Salmonellosis in Foals  | 225 |
| Douglas S. Traver, Bobby J. Trimmell and Charles<br>Armstrong                                       |     |
| Diagnosis and Management of Immune System Failures of Foals   | 235 |
| Lance E. Perryman and Timothy B. Crawford   |     |
| Neonatal Isoerythrolysis in the Foal: An Evaluation of Predictive<br>and Diagnostic Field Tests     | 247 |
| James L. Becht and Edwin H. Page  |     |

|   |     |
